Group Fitness Classes

TIMETABLE

AQUA SHALLOW

Low impact class in water to improve mobility and general fitness. All aqua classes delivered in shallow water fall under Aqua Shallow with the option to go into the deep end.

CORE & MORE

Ab's, Glute and Thighs classes focuses on strengthening, toning, and sculpting the core and lower body using bodyweight exercises, resistance bands, or light weights.

CIRCUIT

Circuit Classes – A series of exercise stations which you preform over time and intervals

HIIT

High Intensity Interval Training allows you to pair hard-hitting exercise periods with short rest breaks for a wide range of health benefits.

STRENGTH & CORE

A strength and core workout targets the midsection, glutes, and lower back to build overall stability.

ZUMBA

ZUMBA is a fitness program that combines Latin and international music with dance moves. involves dance and aerobic movements performed to energetic and motivating music.

ZUMBA GOLD

Zumba Gold is a lower-intensity version of Zumba, designed specifically for active older adults, beginners, or anyone who prefers a gentler, more accessible dance-fitness class.

BALANCE & ABS

A low impact class which incorporates weight resistance training, improving cardiovascular fitness, bone density, muscle strength and muscle tone.

BODY PUMP – LES MILLS

BODYPUMP™ is a barbell workout for anyone looking to get lean, toned and fit, fast. Using light to moderate weights with lots of repetition, BODYPUMP gives you a total body workout. Instructors will coach you through the scientifically proven techniques.

BOXING

Boxing is a high energy class that uses boxing techniques to give you a full body workout. Improve your cardiovascular fitness and tone your whole body. Never done any boxing before? No problem, this class is designed for all levels of fitness

B ACTIVE MOVE – Low-impact fitness class that improves mobility, balance, strength and flexibility through gentle, functional exercises. Suitable for all fitness levels, it helps participants, build confidence, in a fun supportive group environment.

BODY ATTACK – LES MILLS

BODYATTACK™ is a high-energy fitness class with moves that cater for total beginners to total addicts. We combine athletic movements with strength exercises such as push-ups and squats.

BODY BALANCE – LES MILLS

Ideal for everyone, BODYBALANCE™ is the yoga-based class. An inspired soundtrack plays as you bend and stretch through a series of simple yoga moves and embrace elements of Tai Chi and Pilates. Breathing control is a part of all the exercises while you strengthen your entire body.

CORE

CORE is a fitness class designed to increase strength of muscles providing stability for the spine, pelvis, ribs and hips. Walk taller, feel stronger, improve balance, assist injury prevention, and become better at moving with increased core awareness in daily movements.

PILATES

Pilates will challenge your strength, flexibility and coordination with traditional and modern Pilates. Performed on the floor you'll feel strong, streamlined and invigorated after this thorough workout. NOTE: Please bring your own mat

SWISS BALL

A Swiss Ball class is a fun, dynamic, full-body workout that uses the stability ball to challenge your balance, strengthen your core, and improve overall functional fitness. Every movement engages multiple muscle groups, helping you build strength, coordination, and control.

YOGA

Yoga is the overall discipline that includes physical postures, breathwork, meditation, and philosophical principles. It's not a single style – it's the category that contains Flow, Yin, Hatha, Power, and many others – great for beginners

YOGA – FLOW

Yoga Flow (Vinyasa) is a movement-based style where poses transition smoothly in a continuous sequence.

YOGA – YIN

Yin Yoga is a passive; meditative practice focused on long-held floor poses that target deep connective tissues.

TAI CHI (Coming soon)

Tai Chi is a Chinese internal martial art that blends slow, flowing movements, deep breathing, and meditative focus to train both the mind and body. Every movement is performed with relaxed intention, continuous flow, and mindful awareness.

* At times program bookings will interrupt regular scheduling we will do our best to notify ahead of time when there are interruptions. Classes are reviewed regularly, and depending on participation levels, a class may be adjusted or changed to better suit a wider audience or to align with instructor availability.
